US 101/Railroad Avenue Improvements.

Project Type

Highway

Description:

This project is the creation of a new south bound off ramp and north bound on ramp at Railroad Avenue. There continues to be growth outside of Cotati and Pengrove that will exacerbate traffic in both Pengrove and in downtown Cotati, as these are the only options to access US 101. Improvements would include safety improvements on Railroad Avenue from Petaluma Hill to US 101.
