Safe and Seamless Mobility – Quick Strike Program  
Call for Letters of Interest

To all Interested Parties:

Sonoma County Transportation Authority seeks letters of interest from any eligible agencies who may have a transportation infrastructure project that can be implemented quickly to benefit communities. The program emphasizes bicycle/pedestrian safety and mobility, transit and transit access improvements, connected mobility, advancing equitable mobility, or other near-term strategies to advance transit recovery and connected mobility. The program does not have a Sonoma County “share” and is performance based. There is a nomination target of approximate \$3-\$4 million in programming. SCTA seeks interested agencies that must be eligible under Surface Transportation Program/ Congestion Mitigation Air Quality Program , as well as One Bay Area Grant guidelines (please see attached MTC resolutions 3925 and 4202 for details and criteria). All interested parties should submit letters of Interest to Seana L. S. Gause, Senior – Programming and Projects by email at [seana.gause@scta.ca.gov](mailto:seana.gause@scta.ca.gov) by noon (12 P.M.) February 19<sup>th</sup>, 2021. All inquiries regarding this process should be similarly forwarded to Ms. Gause.
