Re: Preliminary Call for Projects - Transportation Development Act, Article 3, FY 24-25
Date: January 19, 2024

Preliminary Call for Bicycle and Pedestrian Projects:

The purpose of this Preliminary Call for Projects is to provide information on Transportation Development Act, Article 3 Program funds and an estimate of FY 24-25 funds available for eligible entities to consider potential projects in advance of the Call for Projects. The draft “scorecard” below includes preliminary estimates for new funding and carry over balances.

No applications are being solicited at this time. SCTA will release a Call for Projects after the FY 24-25 fund estimates are confirmed with MTC, which is anticipated before the end of February.

Background

Transportation Development Act (TDA) funds are generated from a statewide ¼ cent sales tax. Article 3 of TDA (TDA3) is a set-aside of approximately 2% of those funds for bicycle and pedestrian planning and projects. The Metropolitan Transportation Commission (MTC) administers TDA3, which is distributed based on population.

Sonoma County’s incorporated cities/town and the County of Sonoma are eligible to apply. There are no matching requirements with this funding source. Projects are required to meet Caltrans safety design criteria and CEQA requirements; be completed within three years; be maintained; be consistent with adopted bicycle plans; and be authorized by a city/town council or county board. Projects are recommended by existing city, town, and county bicycle and pedestrian advisory committees (BPACs) or designated entity.

Eligible Project Types

MTC updated the policies and procedures for TDA3 on December 16, 2020 to add quick builds and separated bikeways as eligible project types and to make other minor changes.

The following project types are eligible for TDA3 funding:

1. Construction and/or engineering of a bicycle or pedestrian capital or quick build projects.
2. Maintenance of Class I shared-use paths and Class IV separated bikeways.
3. Bicycle and/or pedestrian safety education program (no more than 5% of county total).
4. Development of a comprehensive bicycle or pedestrian facilities plans (allocations to a claimant for this purpose may not be made more than once every five years).
5. Restriping Class II bicycle lanes and buffered bicycle lanes.

Funds may not be used for Class III projects on arterials or streets with posted speed limits above 25 mph.

Preliminary Estimated Funding Available for Programming in FY 24-25 “Scorecard”

The table below shows the preliminary estimated entitlement for each jurisdiction, which is based on a preliminary estimate of new revenues, population and any funds banked or rescinded from previous years. *The final fund estimate for Sonoma County will be included in the Call for Projects.*

	Population 2022	Population %	Carryover	New \$	Estimate Available for FY 24/25
Cloverdale	8,787	1.84%	\$26,697	\$11,148	\$37,845

Total	478,174	100%	\$1,162,156	\$606,650	1,768,806
Countywide Programmable Total (less 3%)					\$1,745,608

Banking Funds

Any unused funds will be carried over into future calls for projects. There is no limit to the number of years funds may be banked.

Advancing Funds

TDA3 funds may be advanced (“borrowed” from the countywide fund) for up to two years of projected entitlement plus the entitlement for the current year. This mechanism allows jurisdictions to gather sufficient amounts, from past and future entitlements, to fund projects. Programming in any given year, however, cannot exceed the sum of the total revenues available for programming in Sonoma County. To advance TDA3 funds, project sponsors must submit a request to advance funds to Dana Turrey at dana.turrey@scta.ca.gov by the deadline for this call for projects.

Application Information

Jurisdictions may prepare and discuss applications, and obtain local Bicycle Advisory Committee approval of project prioritization, in advance of the official Call for Projects. MTC’s TDA3 application form and model resolution document can be downloaded from this website: <https://mtc.ca.gov/funding/regional->

[funding/tda-sta/bicycle-pedestrian-funds-tda-3](#). One resolution may be used for multiple projects with the same project sponsor. Map and documentation of environmental clearance (if applicable) shall be included for each project.

Tentative FY 2024-2025 TDA3 Schedule

January 19	“Pre Call” including preliminary funding estimates, application and model resolution
February	SCTA issues TDA3 Call for Projects with final estimates (after receiving MTC fund estimate)
March 13	Deadline for TDA3 Project Application Forms and any required environmental documentation, project maps, or supplemental materials to be submitted to Dana Turrey at dana.turrey@scta.ca.gov
March 26	CBPAC meeting for review of project proposals and to make recommendation SCTA Project sponsors are requested to attend this meeting
April 26	Deadline for project sponsor’s council or board adopted resolutions Please send to Dana Turrey: dana.turrey@scta.ca.gov
May 13	SCTA Board considers CBPAC recommendations and approves the FY23/24 TDA3 Program of Projects
End of May	Approved TDA3 Program of Projects and required supporting documentation submitted to MTC by SCTA
May / June	MTC reviews SCTA submittal
July 1	Funds available for approved projects

General Project Sponsor Requirements:

- Obtain approval of project prioritization from local Bicycle Advisory Committee (BAC). If the jurisdiction does not have a BAC and has designated the Countywide Bicycle and Pedestrian Advisory Committee (CBPAC) as its BAC, this approval will take place at the CBPAC along with approval of the program of projects.
- Obtain approval of project application from local Council/Board.
- Sponsors have three years to complete projects. Extensions are not allowed.
- Submit invoices via email to MTC Accounts Payable acctpay@bayareametro.gov, with copies to Luis Garcia, MTC lgarcia@bayareametro.gov and Dana Turrey, SCTA dana.turrey@scta.ca.gov
- Fiscal audit required in years funds are disbursed - see Sections 6664 and 6666 of the California Code of Regulation (CCR)
- A one-paragraph summary of work completed is required with the final invoice. If the project includes completion of a Class I, II, III or IV bicycle facility, this information should be added to Bikemapper or a request should be made to MTC to add it to Bikemapper <http://gis.mtc.ca.gov/btp/>.
- Notify SCTA by email of any changes to project or requests to rescind funding
