PROJECT DETAILS

The County is developing proposed improvements in Forestville. More information will be available at the next Strategic Implementation Plan update.

PHASE 3 – IMPROVEMENTS IN AND AROUND FORESTVILLE

HIGHWAY 116 (FRONT STREET) AT MIRABEL ROAD

This project will modify the intersection of Highway 116 at Mirabel Road by providing enhancements for the uncontrolled pedestrian crosswalks. Sidewalk will be realigned, gaps in sidewalk completed and sidewalk ramps will be replaced to meet ADA compliance. A Class I path connection will be constructed from Forestville Youth Park to Front Street. Class II bike lane will be installed on Mirabel Road from Front Street to Davis Road (eastside only).

HIGHWAY 116 (FRONT STREET) AT COVEY ROAD

Intersection improvements at Front Street and Covey Road by providing enhancements for the uncontrolled pedestrian crosswalks.

COVEY ROAD AT DAVIS RD

Safe Routes to School intersection enhancement at the intersection of Covey Road and Davis Road for students traveling to El Molino High School.

Sonoma County Transportation and Public Works will include outreach to the community and stakeholders for input.

PROJECT STATUS/SCHEDULE

The environmental phase is expected to begin in 2022.
